April Showers, Bring May Flowers

Welcome May! As we give ourselves sometime to rest and stay healthy we are eagerly awaiting seeing your children's smiling faces this month! With that being said just a friendly reminder that if your child is showing any signs of illness this season, please find alternative care, as we want to prevent any further illness in our community!

New changes are upon us as Miss Sydney steps back to fill the new role of mom at home, Miss Ashley is excited and eager to step in and fill her role, continuing to provide quality care. This month Miss Ashley will spend some time with students and staff, and looks forward to meeting your family! We will miss you Miss Sydney, and we are excited to see your family grow!

*We Will
Miss you
