October 2021

Happy Fall!

Last month we had three star students! We will continue choosing a star student each week and celebrating their bucket filling qualities and positive contributions!

We have lots of feel good activities planned including affirmation art, bucket filling games and self regulating centers. We will also celebrate World Conflict Resolution Day on the 15th by discussing how to use

I- Statements and strategies for problem solving.

Our OSP group has been loving all of the outdoor play!

Please ensure all the proper

outdoor gear is packed for your star daily so we can continue enjoying relay races, tag games, park days and group games outside!

Please bring in a family pictures for our tri-fold if you haven't already.

We are collecting Food Bank donations this month, please donate if you can!

As always we welcome any feedback and/ or ideas you may have as we are always striving to improve our program!
