January 2021 News...

Welcome to 2021! We are excited for the new experiences to come as we embark on this brand new year! We are very impressed with how everyone has adapted to changes made due to Covid and thank you all for your continued support as we do our best to navigate through this pandemic.

We love observing the children and adapting to their interests so that we can teach them using what inspires them. We have cleaned and reorganized toys and books to offer new inspiration and we are excited to see what directions the Stars play will go! We are also always looking to incorporate more culture into the programs and we welcome your suggestions.

We have our annual beach parties planned to break up the winter season and take our minds to a warm beach for the day! We will crank the heat and transform our school into an oceanside paradise. Please send your Star in beachy attire, get creative as we will be taking photos! Sadly we cannot have our pot luck but feel free to send a beach themed snack for your Stars that day.

As always, I welcome any ideas you have as I am always striving to improve my programs!

Happiest New Year Hugs from Little Star Staff!

Children need the
freedom and
time to play.
Play is not a luxury.
Play is a necessity.
